

Nachle Dance School

COVID-19 Safety Plan

“The health and well-being of Nachle Dance School staff, students and families is our number one priority. You must not attend dance classes if you or anyone in your household has flu-like symptoms, including coughing, fever, and shortness of breath or sore throat. Similarly, staff will not be teaching if they have any of the above symptoms.”

HYGIENE

- Students must sanitise hands upon entry and exit of the studio.
- Sanitisers will be made available at the entry
- Students should bring their own water bottles to class. Drink bottles should be filled with water from home.
- Be sure to eat healthy nutritious meal at home, before attending the classes. There is to be no eating at the dance class.
- Use the bathroom at home before leaving for the dance class. We aim to minimise use of the toilets, where possible.
- Masks may be required by students and/or parents & guardians, depending on current NSW Health restrictions.

PHYSICAL DISTANCING

- Social distancing of 1.5m & 2m² per person must be adhered to most of the time, however we have been advised we can go within 1.5m of others during class if need be & teachers can assist with spotting students in poses and movement.
- There is currently no social distancing requirement for students under the age of 18, however, we will continue to encourage and remind students to keep their space, hands and belongings clean at all times.
- Numbers in classes will be in accordance with current NSW Health restrictions.

DROP OFF AND PICK UP

- Students arrive no more than 5 minutes before class and leave within 5 minutes of class finishing.
- All students must sign in using the Service NSW QR Code displayed at the premises. If you do not have a smart phone, you must sign in manually using the sheet provided.
- Parents are not allowed inside the classroom. Once your child is safely inside, we ask that parents/caregivers wait in your car or leave and return to collect your child after class.
- Please do not wait on the footpath or driveway, as we need to keep this space clear.
- We can call you on your contact number provided if needed.

- Please be on time to collect your child/children immediately after class. Our timetable has been set to stagger between different groups to minimise foot traffic.
- Please avoid gathering in groups outside the class for a chat.

CONTACT DETAILS

- Please ensure that all contact details are correct and up to date. We may need to contact you.
- Contact details for students and parents may be passed on to NSW Health for the purpose of contact-tracing if necessary.
- We will be taking an attendance record for each class to keep strict records of anyone who attends the class. This includes students and staff. This does not include parents or caregivers picking up and dropping off children outside the venue.

REMOTE CLASSES

- We reserve the right to revert any or all classes to remote online delivery at any time. This could be due to but not limited to staff illness, changing requirements by relevant authorities, a case/suspected case of COVID-19 or for any other reason determined necessary by the Nachle Dance School administration.
- No refunds or discounts will be available in the event of classes reverting to Zoom. However, should a class be cancelled, a make-up lesson will be organised either face to face or remotely.

NSW Health restrictions may change from time to time, and we will update our COVID policies to adhere to these. Please ensure that you follow all COVID safety signage around the studios, and always keep an eye on our social media & WhatsApp messages as this is how we will notify you of any changes.

The health and safety of our Nachle Family is our priority, and we welcome your feedback. Please email us in the first instance on nachledanceschool@gmail.com. We will endeavour to respond as soon as we can and appreciate your patience.
